Description: Each second year student will develop a visual display that highlights their academic achievements, future plans, and accomplishments. The display will serve as an introduction to potential employers. This board will be used to showcase yourself at an upcoming CAVIT job fair.

Evaluation: Students are evaluated on the display and their ability to present themselves professionally and communicate the passion board information to their classmates.

Project Steps

Step One-Passion Board Worksheet

- ⇒ Students will answer various questions that will serve as a guide in creating the passion board display.
- ⇒ The passion board worksheet will also service as a guide on what information to present to the class
- ⇒ Students should communicate with their teacher to receive worksheet

Step Two-The Board

- ⇒ Pick a theme
- ⇒ Design a layout
- ⇒ Make sure to include your name, program, achievements, activities, awards, certifications, and highlights of your accomplishments.

Step Three-The Presentation

- ⇒ Using your passion board worksheet, decide how you will deliver the presentation
- ⇒ Be mindful of grammar, pace, tone, and volume
- ⇒ Time yourself—a 3-5 minute presentation is ideal!

Step Four-Professional Dress

- ⇒ Reference next page

Passion Board Project Guidelines

- Crowd Favorite Voting in Classrooms—December 17, 2019
- Your name is the largest focal point
- No materials can extend beyond the board
- Keep it visually appealing to the eye-Not too busy
- No paragraphs—Use bullets
- Highlight what you want to talk about to employers
- Plan before you glue
- Only ONE board will be given to you
- Double check spelling and grammar errors
- Be creative

Recognition

Each teacher will select one student to compete in the overall passion board competition judged by CAVIT administration. All students will also place a vote in the crowd favorite activity. Make it a personal goal to be one of the award winners!
